

Heel Tip (Tap) Sizing Chart

Please print this sizing chart to pick the correct heel tip for your shoes and compare your current heel tip with the outlines below.

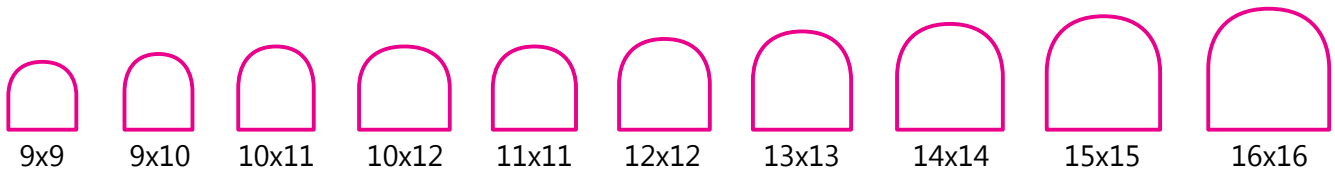

Place your high heel on one of the shapes. Your current heel tip should cover the shape with little outline showing around the edges.

It is okay if the match is not 100% exact. A size up or down will work.

Round Heel Tips

U-Shape Heel Tips

**We will be adding more sizes in the future,
so be sure visit Heel Candy Wraps often!**
